

## APPENDIX C

### Freshman Interest Groups (FIGS)

The following table is the Freshman Interest Group Offerings for Fall 2017. Select a topic or group of courses that are of interest to you and consistent with the requirements of your major. You may drop a course from your FIG cluster due to duplicate credit earned through testing or dual enrollment, if a minimum of two courses and the colloquium remain after the course is dropped. Once your credit is posted to your permanent record, contact Alice Wright at 850-644-2740 or [acwright2@fsu.edu](mailto:acwright2@fsu.edu) to request an adjustment to your cluster.

To add a FIG to your schedule:

- 1) Go to **Course Search**
- 2) Enter Course Subject as **HUM** and Course Number as **1920**.
- 3) **Select** your desired **section**
- 4) add to your cart (be certain you are in the **ENROLL** tab) "Proceed to Step 2" and then "Finish Enrolling."

**What is the FIG Colloquium?** One of the most significant advantages to registering for a FIG is the HUM 1920 FIG Colloquium. This course is a seminar structured class designed to provide students with a set of experiences that will introduce them to the academic culture at Florida State University. **It is not a study hall or tutoring session**, but many of the class sessions are designed to assist students reach their educational and academic goals.
